Metrohm USA CTPAT Statement of Support

As an importer, Metrohm USA, Inc is a proud member of the Customs Trade Partnership Against Terrorism (CTPAT) program and has been since 2015. Implemented by the U.S. Customs and Border Protection, CTPAT is a voluntary public-private sector partnership program that builds and maintains relationships to strengthen international supply chains and improve U.S. border security. The U.S. Customs and Border Protection requests that businesses actively ensure the integrity of their security practices and communicate their security guidelines to their supply chain business partners.

Metrohm USA, Inc. executives and senior management are committed to participating in the CTPAT program and it is the policy of Metrohm USA, Inc. to:

- Ensure the secure import of goods by implementing, following, and maintaining multi-faceted security procedures and best practices consistent with the CTPAT Importer Security Criteria
- Provide security guidelines and training for Metrohm USA, Inc. employees, vendors, contractors, service providers
- Prioritize and ensure a safe, secure environment for our employees, customers, vendors, guests and goods
- Identify security vulnerabilities and take corrective actions to mitigate risk
- Notify and cooperate with the appropriate authorities in the event of a supply chain security breach or suspicious activity
- Make sure our security practices and procedures are reviewed and updated on an annual or as-needed basis

Metrohm USA, Inc. believes security is everyone's responsibility. All employees, vendors, contractors, service providers and guests are expected to comply with the CTPAT Importer Security Criteria as well as any policies, procedures, and instructions set forth by Metrohm USA, Inc.
