

Metrosep C 6 Guard/4.0

6.1051.500

The Metrosep C 6 Guard/4.0 contains the C 6 column material and is used to protect against particles and contamination. This considerably lengthens the service life of the analytical separation column. The Metrosep C 6 Guard/4.0 works according to the "On Column Guard System" and is screwed directly onto the respective separation column with virtually no dead volume.

Below, the accessories are grouped into Scope of delivery and Optional accessories.
Please keep this printout at hand for ordering replacement material.
These lists may be subject to change.

Scope of delivery 6.1051.500
